

HEBER CHARLES AND HARRIET M. EVANS WEBB

Lehi Centennial History 1850-1950

Heber Charles Webb, son of William and Harriet Grace Webb, was born February 22, 1873, in Lehi, Utah. Harriet Mindwell Evans Webb, daughter of Abel John and Emeline Zimmerman Evans, was born February 3, 1876, at Lehi, Utah. They received their education in the Lehi District Schools. They were married January 12, 1898, in the Salt Lake Temple. Five children were born to them: a daughter who died at birth; Heber John, Vern William, Lynn Robert, and Wayne Evans.

Mr. Webb followed the occupation of farming and stock raising from his youth until he retired at the age of seventy-five years. He served as a board member of the North Bench Irrigation Company for a number of years. He has been an active Church worker, serving as ward teacher most of the time. He filled a mission to the Northern States from 1903 to 1905. He was selected as president of the 127th Quorum of Seventy, January 15, 1911, and held that position until July 1, 1917, when he was chosen counselor to Bishop S.I. Goodwin of the Lehi Second Ward. The Lehi Second Ward chapel was erected during his twenty years in this office. While in the bishopric, three of his sons filled missions: Heber J. to the California Mission; Vern W. to the Southern States; and Lynn R. to the Netherlands. He acted as leader of the High Priest group for three years, and at the present time is secretary. He served on the home mission in Alpine Stake for two years. He was chairman of the Genealogical Committee for several years and at present time is an acting ward teacher. Two of his sons, Heber J. and Wayne Evans, have passed away.

Mrs. Webb has been an active worker in the Relief Society for the past fifty-two years, in addition to rearing and caring for her family. She taught in that organization for three years, acted as secretary for eighteen years, and served as counselor for two years, and president for two years. She also served as counselor

in the Alpine Stake Relief Society for four years. When the Alpine Stake was divided into three stakes, July 8, 1928, she was selected as the first Relief Society President in the new Lehi Stake, serving until released August 1, 1938. At that time she was made stake chairman of the sunshine work, which office she held until 1941, when the work was discontinued by the General Board. While in that work, she made 565 visits to the sick and home-bound. At the present time she is an acting teacher. She served as Sunday School teacher, both before and after her marriage, and has been a teacher in the Mutual Improvement Association.
